Books Books Books - update from the School Council

This week we have been lucky to see the arrival of a large collection of books which will be on our classroom bookshelves very shortly. The books have been bought with a grant totalling nearly £1,200 from a company called Wates Construction. Many of the books will help us in our learning about science and geography but there are also some story books to read too.

Many thanks to our parent governor, Mr. Cannon for his work in securing the award from Wates Construction.
