Thank you for your cooperation.

ParentPay

ParentPay went live on the 1st April.

If you haven't already done so please activate your account.

If you require any assistance please do not hesitate to contact the school office.

Fidget Spinners

We at Coton Green believe children should be able to play creatively at break times and as such we have let children bring in fidget spinner toys. These have proved a big hit. It has however come to my attention that 'swapping' of these has been happening amongst the children. I have spoken to children on Thursday that this is not allowed as it can lead to numerous issues eg unfair swaps.

We would appreciate it if you could re-inforce this message at home with your children as you can appreciate that school can't take responsibility for them.

PTFA

The PTFA have decided to sell freeze pops every Friday afternoon after school in June and July weather permitting!!

They will be on sale on KS1 and KS2 playgrounds for 20p each.

ALERT!! Passed on by a member of our school community

Re: Apps

There is a smart phone App called Calculator%.

This app puts private photos and videos hidden behind the calculator. When first started the app looks like a calculator but if you put in a passcode it will open up a private area. All files are completely private and confidential.

Some colleagues have come across images of children being distributed by snapchat and saved in calculator%.

Please alert parents/carers to these potential concerns.

There is also a Blue Whale app that encourages children to self-harm.

Lost and Found

If this item belongs to you please contact the school office

REMINDER

As we are enjoying our English Summer, please be reminded about keeping your children safe in the sun.

Please use sun hats and apply sun cream before coming into school.

Thank you
