## **Having Your Say on Staffordshire's Short Breaks (Activities) – Aiming High**

**Are you a parent or carer of a child or young person (0-25 years old) with a  
Special Educational Need and/or Disability?**

**Have you used Aiming High Activities in the past?**

**Would you like to have your say about who delivers Aiming High Activities in  
the future?**

Parents and carers previously helped us design a specific question for inclusion in the Aiming High Tender for Providers, who may be interested in delivering Aiming High Activities from April 2016 onwards, to answer.

We are looking for 3 parents and carers who would be happy to help us evaluate the responses received from Providers for this specific question. This will help us to decide which Providers will deliver services from April 2016.

The Evaluations will take place between 10am and 3pm on **Tuesday 2<sup>nd</sup> February 2016** and **Thursday 4<sup>th</sup> February 2016** at **Staffordshire SEND Family Partnership Offices, Eastgate House, 79/79A Eastgate Street, Stafford, ST16 2NG.**

At the minute we are not sure about how many responses we will receive. You might be able to help for half a day, a day or maybe more....so please let us know when and for how long you are able to support us.

We will reimburse all volunteers for their attendance and participation (the maximum amount will be £40 for a whole day).

**Unfortunately, if you are a Provider or associated with a Provider who may be interested in delivering Aiming High Activities due to the potential conflict of interest, you will not be able to participate at this time.**

If you would like to volunteer, please contact Staffordshire SEND Family Partnership on:

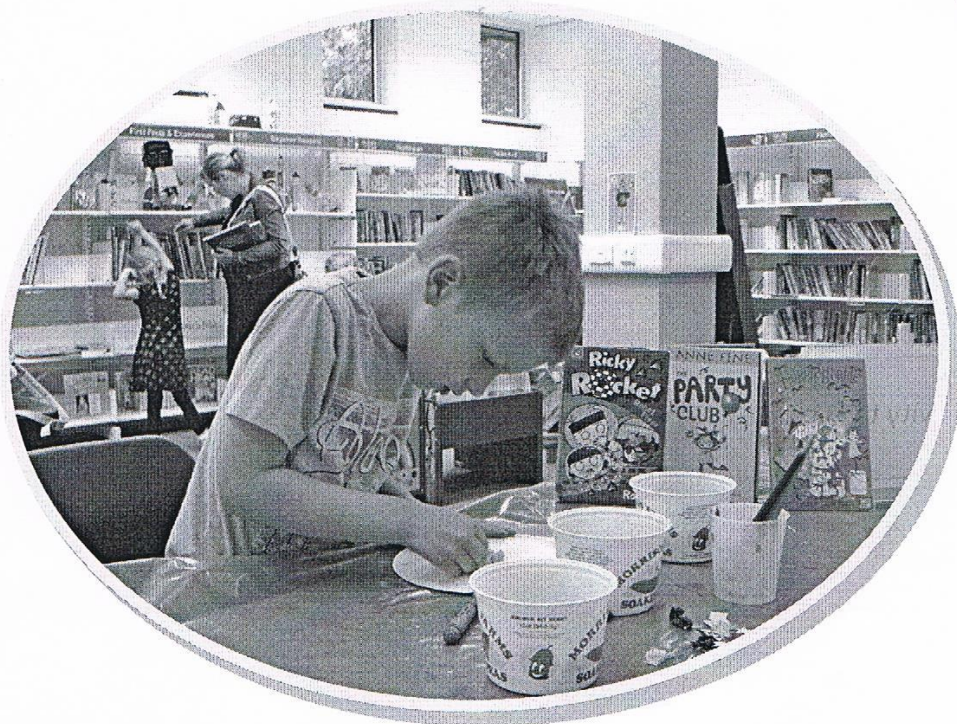

**01785 356921 / [sfps@staffordshire.gov.uk](mailto:sfps@staffordshire.gov.uk)**

If you have any questions or queries about the Aiming High Tender process or the future of Aiming High, please contact Amy Evans:

**01785 227/160 / [amy.evans@staffordshire.gov.uk](mailto:amy.evans@staffordshire.gov.uk)**

**Thank you for your time, support and co-operation in shaping our future  
Community Based Short Break Opportunities.**

### Procedures for inclement weather

Snow fall does not trigger a closure of a school and we are aware of the impact snow can have on travel. Therefore, we will make allowances for lateness and arrangements for early pickups to allow for any severe travel disruption as a result of inclement weather.

However, in extreme cases there may be no other alternative than to close, or part close the school. In such an event notification will be available through a number of sources, however our most efficient would be to use our facility to send texts and emails to you (please ensure we have your email and mobile number).

We would endeavour to make any such decision as early as possible and would only close as a last resort.

Other notifications will include:

- local radio stations
- Staffordshire school closure website  
<http://www.staffordshire.gov.uk/education/schoolsandcolleges/emergencyclosures/schoolclosurelist/schoolclosurelist.aspx>
- **You may also wish to sign up for alerts:** [Sign up for school closure alerts](#) via text message and email, to be kept informed if our school is closed. This is a simple procedure where you just need to register your details to trigger a notification.
