SCIENCE FAIR

HOW DOES...?

The first ever Science Fair took place this week with 31 scientific posters, presented by 53 children, including 29 different topics. No stone was left unturned, there were erupting volcanoes, a huge model of the eye and things flying around the room!

A huge thank you to everyone who took part, and for all the help that they received from brothers, sisters and parents. The buzz in the room all morning was incredible, all the children were so excited and enthusiastic that they could have talked about their work all day. We were all very, very proud of them.

So here are the top three from this year's Coton Green Science Fair.

As voted for by the children:

KS1

- 1 Electrical Conductors by Oliver and Lila
- 2 Fossils by Skye and Thomas
- 3 Penguins Phoebe and Faith

KS2

- 1 Bacteria by Sofia
- 2 Tornadoes by Henry
- 3 Volcanoes by Freya and Isabel

Teachers' Award went to Auron for his outstanding knowledge on Atoms.

Good luck to the best KS2 entrants who will go forward to represent **Coton Green Primary School** at the Rawlett Science Fair on **Friday 12th July**.
