## Photographs

It has come to our attention that pictures of sports day have been posted on facebook and are 'open' and available for all to view.

As a school we do ask that any group photographs taken in school are not shared on social media. This is because not all parents have agreed for their children to have photographs published.

We have no issue with parents taking photos and keeping them for their own use to cherish those special memories. We do however ask that you respect other parents' wishes and not share group photo's on social media.

### **ATTENDANCE**

Annual Target Attendance: 97%

Current up to date figure: 96.65%

A reminder that Mr Osborne cannot authorise family holidays, we can however make considerations concerning exceptional circumstances.

A reminder school is open to pupils from 8.50am for early work and we recommend that children take advantage of this and therefore expect pupils to be in school by 9.00am at the latest.
