SCIENCE FAIR

HOW DOES...?

We are excited to announce there will be a science fair held in our school on **Wednesday 3rd July**. The best entrants will go forward to represent Coton Green Primary School at the Rawlett science fair, along with other primary schools from the local area, on **Friday 12th July**.

You must let Miss Stevenson know if you will be participating in the Science fair by Friday 14th June.

You will need to be able to present your understanding of how something works e.g. How does a boat float? / How does an eye work? / How does a new day begin? (You decide!)

You can work and plan on your own or with a partner (**no more than 2 per group**). You must produce a visual display to accompany your experiment (including your names, age and year group) and you will need to be able to demonstrate (via video or photographs if it's messy or time consuming!) and explain the science behind your investigation to an audience - keep it simple.

You will gain extra credit for linking your demonstration/investigation/experiment to a scientist, especially if you can raise awareness of lesser known scientists.

For ideas you may wish to use books or web sites, such as

NOTICE FOR PARENTS / CARERS

School punctuality is important and we would like to thank parents for their commitment in ensuring children arrive in good time for the 8:50 early work opening.

Please also be aware that children who are on site are the responsibility of parents and carers until handover at the classroom doors at 8:50.

During this time, it is important that children uphold the same high standards of behaviour as they do during school time.

We thank you in advance for your co-operation in this matter.
