Beware the Ides of March!

Last weekend, a group of Year 6 pupils visited the Royal Shakespeare Company Theatre in Stratford to see a production of William Shakespeare's Julius Caesar.

They got up early on Saturday morning to have a stroll down by the river and into the town to visit Shakespeare's birthplace before heading to the theatre. Not only did they watch the performance, they were part of it! The children had prepared a piece to celebrate Caesar's homecoming and got up onto the stage to perform and teach their chant to the rest of the audience. This was then incorporated into the performance! They had a fantastic day and should be very proud of themselves! Hopefully, with Year 5/6's growing love of Shakespeare, there will be more visits to come...

A huge thank you to all our children and parents for your continued cooperation with our 'Walk to School Campaigns' – we have now achieved the silver award - next stop GOLD!!

Congratulations your Silver level Modeshift STARS accreditation application has been approved. It will remain valid for 2 years after which you will need to reapply or submit an application for the next level of

Modeshift STARS.

E-Safety Advice

It has been brought to our attention that ROBLOX, a popular APP used by many children, is exposing its players to inappropriate content and allows them to make online friends, as well as send and receive messages. Although our filtering system in school does not give access to this APP, we are aware children access this at home.

Advice and Recommendations

We would advise every parent to check their child's ROBLOX account to see if your child may have friends on there that you are unaware of.

We also ask parents to check the child's in game message inbox to see if they have received any inappropriate messages.

Parking information for parents

It has been brought to our attention that parents have been inconsiderately parking around school when collecting and dropping off their children, in particular around Maddox Close and Scimitar Drive.

Parents are reminded to park responsibly outside school and are being urged to put safety first by parking responsibly during drop-off and pick-up times.

The Staffordshire County Council campaign is calling on people to park considerately and reminding drivers that Civil Enforcement Officers will be visiting roads near schools right across the county. Any vehicle observed parked on yellow lines or in a restricted area could be issued with a penalty notice, if not observed picking up or dropping off a passenger.

The campaign is also reminding drivers to switch off their engines when parked up, which is good for the environment and people's health, and helps reduce pollution.

It is hoped that the campaign will also urge parents to consider alternative modes of transport such as walking, cycling, scooting 'park and stride' or a walking bus. These all help to reduce congestion and pollution outside schools which is good for the environment, good for parents' pockets, and helps keep people active.

Head Lice

Unfortunately, school has been made aware of a number of cases of head lice. As a result, school has sought advice and produced a policy detailing effective treatment and checks. This policy can be found in the key information section of the website.

[Head Lice Policy](#)

Although unpleasant, head lice in school is common and needs the full co-operation of parents to effectively check and treat hair. I thank you for your co-operation in this matter.
