Easter Holidays

School will close Thursday 2nd April
and will re-open to children Monday 20th April

(This includes Inset Days Thursday 16th / Friday 17th April)

Dear Learning Family

I would like to take this opportunity to thank all who took part in our Easter celebrations over the last week. The Easter bonnet parade is a tradition that I am proud the Coton Green Learning family embrace and the standard of Easter bonnets this year was so high. It was so hard to judge a winner (note to oneself - delegate that job next year!) It is such an advantage to have such an engaged school community which ensures our special events are well supported. Thank you.

Another busy term has completed in which we have been involved in a number of special events.

Our 'Hooked on Books' celebration, which coincided with World Book Day has seen some photographs of really unusual places to read, whilst we also had many fabulous T-shirt designs. Our school football teams have competed in regional competitions and both our teams were unbeaten during recent tournaments, with our 'B' team winning the tournament.

We have also been on a number of out of school visits - including a road safety walk around our local area by our KS1 children and visits to Rawlett Academy by our Year 5/6 pupils. It fills me with great pride when other adults and visitors in the community speak about the behaviour of our children, as they are always so complimentary (none more so than the Viking Invader that recently visited our year 3/4 classes!)

Next term will bring many more opportunities to learn outside the classroom, not least with our 'Big Dig' event to establish our new school garden. We are challenging the children to grow their own plants, flowers, fruits and vegetables as part of our Science curriculum and asking for help from any 'green fingered' community members to help establish and maintain the garden. A big thank you must go to the Waterloo Housing Association and Mantons contractors who have donated all the materials and labour for the garden.

I would like to wish you all a Happy Easter and an enjoyable break.
