Copy of information sent to parents

As you may have seen, we have been lucky enough to have some fantastic new outdoor equipment on Yard 1.

A big thank you from all the children to the PTFA who have part funded this.

A full risk assessment has been completed by a Health and Safety officer from Staffordshire County Council. The children have all now been given a health and safety talk about how the equipment is to be used and have started to play on the ship.

As advised by the Health and Safety officer, the Pirate Ship and any equipment within this area must not be used by any person unless it is supervised by an appropriate member of Coton Green staff as the school is not liable for damages caused as a result of unauthorised use of the area and its equipment.

Thank you for your co-operation.
