## Football Frenzy!

Wednesday night saw yet another outstanding sporting achievement for Coton Green! The Y5/6 girls' football team were at Rawlett High School competing against other primary schools from the Tamworth area. There were 5 teams in the tournament and the girls came in a very impressive 2nd place!

The evening started off with Mr Osborne leading a warm-up which continued into a mini-match. The girls were then warmed up and raring to go. Then, it was time for the first game against Three Peaks! It kicked off and the tension began to rise. The girls were finding their feet and put on a defensive performance; the match ended in a 0-0 draw earning them valuable points. This made our girls confident that a victory would come next. The next game was against Birds Bush who they beat with an impressive 3-0 score; one goal coming from Ruby C in midfield and two from our super-striker, Ellie C. There was little time to celebrate for the next game was about to begin. Florendine were the next opponents and a 2-0 victory was secured with yet more brilliant goals from Ellie C. They were now in the semi-finals! The semi-final game commenced and the girls were on a roll; some accurate passing and shots on target occurred early. Another clean sheet was kept by Summer H, making some outstanding saves whilst Gracie R held the defensive line strong with the help of Ruby M and Isabelle W. Patience paid off, and the winning goal was scored by another strike from Ellie C. Next thing they knew, they were in the finals. After a very competitive game, the girls narrowly missed out on winning the whole tournament after losing 2-0 to a team from Dosthill. Mr Osborne was very impressed with the performance that the girls put on, especially as this was their first time playing together as a team.

## BE BRIGHT AND BE SEEN

**AT THIS TIME OF YEAR, IT'S IMPORTANT TO BE BRIGHT AND BE SEEN WHEN YOU ARE OUT AND ABOUT NEAR ROADS. THERE ARE LOTS OF WAYS TO BE BRIGHT THIS WINTER.**

### BE BRIGHT

Wear fluorescent or brightly coloured clothing when walking to and from school - it shows up well in daylight and at dusk.

### REFLECTIVE

When it's dark outside, wear reflective clothing to be seen in car headlights. Reflective vests, sashes or wristbands work well.

### IMPROVE

Improve your visibility with accessories; clip on reflectors, armbands and stickers added to your coat or bag are a great way to improve your visibility.

### GREEN CROSS CODE

Always choose routes and crossing places that are well lit and remember to use the GREEN CROSS CODE.

### HEADLIGHTS

If you like to cycle, it's the law to have clean and working headlights on your bike at night (white at the front, red at the back) as well as a rear reflector. It's good to fit spoke reflectors too.
